Advance-Nilfisk Parts - Imagine how tedious it will really be to clean up your very own home after having a large party, without aid from cleaning machines. Back in the day, the time carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the leading cleaning supplies back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Establishing the business in 1906, he started to produce motors to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's dream from the start was to own an international business marketing products globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner which can be operated by one individual since it just weighed 17.5 kilos! This invention came in a time where numerous cleaning machines were huge and needed 4 or more operators, thus, the Nilfisk C1 changed everything and developed the method we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning machines provide a brilliant solution to an existing problem; things get dirty and have to be cleaned regularly, without a lot of effort.

Slowly, the business Nilfisk-Advance developed throughout the years. In the the early part of the nineteen eighties the company developed fast when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the trade, trying to be an active international player in producing professional cleaning equipment. Nilfisk-Advance is now represented in all parts of the globe due to steadily obtaining numerous small businesses so as to expand their product range and presence in new markets. They are really proud to offer various cleaning solutions to meet every requirement.
