

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services in order to increase the productivity and ensure efficiency within industrial, commercial and residential surroundings. They pride themselves in providing products to improve the safety, comfort, security and health of individuals all over the globe throughout their four global segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building parts support, advanced controls and services utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to enhance operations, energy efficiency and productivity for their clients. The series of products in their line consist of: pumps and tools, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the global leader in utility and golf vehicles designed for businesses and people.

Well-known trade names such as Trane and Schlage compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all across North America. Several of their innovative quality products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The division comprising Security Technologies offers products that ensure productive, secure and safe environments. This division's market leading products comprise door and floor closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel frames and locks and doors, decorative hardware and locksets. Popular brand names like for instance Schlage even provide attendance, personal and time scheduling systems.
