

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They like providing products which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of staff likes new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, along with owners' strong desire to significantly lessen cost through productivity gains.

When required, the employees within TREK and its several dealer members in both parts and in technical support would be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning equipment working and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that eventually reduces your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
